GENERAL DISCUSSION

House Concurrent Resolution 449 provides for the reprinting of the House Report 96-1216, "The Adequacy of the Federal Response to Foreign Investment in the United States." The report was originally issued by the Subcommittee on Commerce, Consumer and Monetary Affairs of the Committee on Government Operations on August 1, 1980. Since that time, the supply has been depleted while hundreds of requests for the documents remain unfilled.

A letter from Chairman Brooks requesting consideration of the resolution was received by the committee.

HOUSE OF REPRESENTATIVES,
COMMITTEE ON GOVERNMENT OPERATIONS,
Washington, D.C., November 17, 1980.

Hon. LUCIEN N. NEDZI,
Acting Chairman, Committee on House Administration,
Washington, D.C.

DEAR MR. CHAIRMAN: On November 17, 1980, I introduced House Concurrent Resolution 449 which calls for the reprinting of House Report Number 96-1216, "The Adequacy of the Federal Response to Foreign Investment in the United States."

The wide public demand for this recent committee report has completely exhausted our supply. The need for reprinting is based on the expressed continued interest from the general public, industry, commerce and concerned governmental officials, coupled with the continuing relevance of the committee's recommendations.

We have been informally advised that the cost of this reprinting will amount to approximately $3,350.

Approval of House Concurrent Resolution 449 by your committee will be appreciated.

With every good wish, I am

Sincerely,

JACK BROOKS, *Chairman.*
